Guest Speaker

Dr. Jay Mehta

President & Head
Surgical pathologist, Oncopathology
Neuberg Oncopath
Mumbai

- Clinical Experience of over 25 years of expertise in specialized histopathology and cancer diagnostics.

- He did his post-graduation in pathology from the prestigious Tata Memorial Hospital in Mumbai.

Past Career Highlights:

- Served as an Anatomic & Molecular Pathologist at Tata Trusts (2019–2022).

- Worked as a Consultant Pathologist and Head at the Centre of Excellence in Histopathology, SRL Diagnostics (2004–2019).

- He is well-recognized for his expertise in complex oncological evaluation and second opinions.

His core clinical focuses include:

- Surgical Oncopathology: Highly detailed evaluation of complex tissue biopsies and surgical operation specimens.

- Specialized Tumours: Specific expertise in managing diagnoses for lymphomas, bone marrow pathology, gastrointestinal (GI) tumors, and soft tissue sarcomas.

- Advanced Molecular Diagnostics: He is among the select group of pathologists in India pioneering diagnostic molecular pathology, executing complex workflows like NGS for solid and liquid malignancies.
